Overview:

Hello there ■

We're NovaWeb, a passionate web development team based in Algeria, founded by two skilled developers — Madi Mohamed and Bouazza Salah.

We help businesses and individuals build modern, fast, and professional websites that attract clients and grow their brand.

With a strong focus on both frontend and backend development, we combine creativity and clean code to deliver results that make a real difference.

■ Our Expertise Includes:

- Frontend: HTML5, CSS3, JavaScript (ES6+), React.js, Next.js, Tailwind CSS

- Backend: Node.js, Express.js, PHP, MySQL

- WordPress: themes, plugins, custom designs

- E-commerce solutions & payment integration

- Website performance optimization & SEO

- Web animations and responsive design

■ What We Offer:

- Complete website creation (business, portfolio, e-commerce)

- Redesign or improvement of existing websites

- Landing pages that convert visitors into paying customers

- Maintenance, updates, and technical support

We believe in quality, transparency, and long-term collaboration.

At NovaWeb, your success is our mission ■
